

NC Public Power is...

Festive Independence Day Celebrations

NC Public Power communities throughout the state celebrate Independence Day in grand fashion. From awesome displays of fireworks to hometown festivals, NC Public Power communities offer the best opportunities for family fun. Visit www.ncpublicpower.com to see a list of public power cities and plan to spend this Independence Day with NC Public Power.

Public power is city owned and operated electric utility service. More than 70 public power communities are proud to serve more than half a million customers in North Carolina.
