

# NC PUBLIC POWER IS... Greenville

Recently named a top place for business, Greenville is leading eastern North Carolina in job growth, healthcare and educational opportunities. *Forbes* magazine took notice, naming the Greenville area in the top ten places in the country for business and careers.

Greenville Utilities is proud to be one of more than 70 public power utilities in North Carolina. These communities own and operate their electric systems, offering customers excellent, local customer service, reliable electricity and prompt restoration after outages.

Greenville Utilities provides electric, water, wastewater and natural gas service to Greenville-Pitt County residents.
