

INTERNATIONAL CITY

NC PUBLIC POWER IS...

High Point

High Point truly is North Carolina's International City. With more than 70 internationally-based companies, local leadership that encourages foreign investment, and the globally-connected High Point Market, High Point is known for its success as a leader in attracting foreign as well as domestic investment to the area. Thousands of foreign guests visit High Point to attend trade shows each year. . .shouldn't you join them to see all High Point has to offer?

The City of High Point is proud to be one of more than 70 public power communities in North Carolina. **Find out more at www.ncpublicpower.com.**
