ElectriCities, the energy behind public power, is a not-for-profit membership organization that consolidates many of the administrative, technical, legal and legislative services needed by municipally owned electric utilities.

**NC Public Power Communities**

70

NC Public Power illuminates the homes and workplaces of 1.2 million people, more than the populations of Raleigh and Charlotte combined. We also provide services to non-power agency members throughout North Carolina, South Carolina and Virginia.

**North Carolina Eastern Municipal Power Agency (NCEMPA)** = 32 cities and towns in eastern North Carolina

32

**North Carolina Municipal Power Agency Number 1 (NCMPA1)** = 19 cities and towns in piedmont and western North Carolina

19

**Advantages of Public Power**

Governed by a 16-member board of directors
