

SMART COMMUNITIES GRANT APPLICATION

This economic development assistance tool was created by Electricities to help participants attract and retain commercial and industrial customers. NCEMPA and NCMAPA1 participants are eligible to receive up to a \$5,000 matching grant to be used toward specific economic development projects. Smart Communities Grants are matching funds and must involve local funding. Application must include all documentation for review, such as photos, cost estimates, previous studies, source of funding, etc.
