

# POWERING THE RETAIL INDUSTRY IN NORTH CAROLINA

**NORTH CAROLINA HAS SEEN TREMENDOUS GROWTH** in recent years, and demographers see no end in sight. The Tar Heel state is now home to more than 10 million people, having added more than one million residents per decade for each of the last 5 decades. This population boom has attracted the attention — and storefronts — of some of the world's leading retailers.

## MAJOR RETAILERS HEADQUARTERED IN NORTH CAROLINA

Over **116,000** retail establishments employ almost **900,000** people

**One in four** jobs in North Carolina is in retail

## LOCAL MARKET EXPERTISE

ElectriCities represents 70+ public power communities across North Carolina, including some of the fastest growing cities and towns in the state. Our economic development team works closely with each of our communities to support continued business and retail growth. Here are a few ways how:

- ▶ Conduct customized retail market studies
- ▶ City/town representation at retail-focused trade shows and conferences
- ▶ Established network of key contacts with retailers, brokers, developers and tenant reps
- ▶ Perform hotel and grocery feasibility studies
- ▶ Provide access to proprietary demographic data
- ▶ Assist with real estate searches and site selection
- ▶ Award grants for downtown revitalization projects
- ▶ Support incentive negotiations
- ▶ Host prospective site tours and windshield tours of our communities
